**SERVICES GUIDELINE
MANUAL**

INTRODUCTION

Welcome to the Admin Centre for Sport, Culture and Recreation. The purpose of the Centres is to provide a professional business support system to non-profit organizations so they may effectively carry out their programs at the lowest possible cost. The Centres operate on the premise that users will equitably share all services. Services are available to all non-profit sport, culture and recreation groups. Other non-profit groups may apply for customer access and will be assessed on an individual basis.

The Admin Centre Advisory Committee reserves the right to change and make exceptions to policies governing the Centres and the services.

Direct all questions of interpretation to the Administration Manager, Curtis Markewich at 306-780-9311.

The Centres are partly dependent upon the Sask Lotteries Trust Fund for Sport, Culture and Recreation for financial support. The balance of funds are derived from revenue generated by charges for rent and services.

We are always open to new ideas and look forward to your comments on ways to improve our services. Top quality customer service is our goal.

An electronic copy of this manual, as well as a printable application form and pre-authorized debit form is available at www.sasksport.ca/admin.php.

The Admin Centre for Sport, Culture and Recreation was established to provide services to non-profit organizations in sport, culture and recreation. Like most service organizations, the Admin Centre was born from need. The cost of administrative services was seriously hampering the growth of sport, culture and recreation at the provincial level. To ensure continued growth, a group of dedicated volunteers established Saskatchewan Sports and Recreation Unlimited in 1969. Three associations were charter members: the High School Athletic Association, Saskatchewan Parks and Recreation Association, and the Saskatchewan Amateur Hockey Association.

The organization became known as the Administration Centre for Sport, Culture and Recreation in 1979. On April 1, 1989, the Centres became a subsidiary of Sask Sport Inc. and the company was renamed the Administration Centres for Sport, Culture and Recreation (1989) Inc. The Centres have grown to house over sixty organizations.

The Centres are managed by an Advisory Committee with two appointed representatives from each of:

- SaskCulture Inc.
- Saskatchewan Parks & Recreation Association Inc.
- Sask Sport Inc.

and one elected resident representative from each of the buildings operated by the Centres. It is chaired by the Secretary/Treasurer of Sask Sport Inc. This Committee is directly responsible to the Sask Sport Inc. Board of Directors.

Four buildings in Regina provide a total of over 35,000 square feet of space. Saskatoon's John V. Remail Centre serves the northern area of the province with 18,000 square feet of space.

Eligible groups can access services either on a cash basis or by setting up a billing account. Groups who wish to buy on a cash basis must pay at the time the service is provided.

Procedure

Eligible groups can apply to be a billed client of the Admin Centre by filling out an application form (available from the Accounts Receivable department in Regina or online at www.sasksport.ca/admin.php). Once approved, a billing account number is assigned to each client. Bills are prepared from the Regina office on a monthly basis and include all charges up to the 27th of the month. Bills are in the mail by the 6th of the following month and are due on the 30th. All service charges are accompanied by the appropriate documentation. (i.e. courier waybills, etc.)

The fiscal year end of the corporation is March 31st. All users are requested to have their accounts up-to-date at that time.

Contact

Taunny Bridge tbridge@sasksport.ca Phone: 306-780-9334

Cost

An annual fee of \$30 per billing number is charged in April and covers access to the services from April until March of the following year. Associations may request additional billing accounts at a cost of \$30.00 each. Associations who register after September 30 will only be charged \$15.00 for that fiscal year.

Interest charges of 1.5% per month will be added monthly on any unpaid balance. In order to avoid interest charges, payments must be in the accounting office by the 30th. Therefore they must be mailed about a week before, or put in interoffice mail no later than the morning of the 30th.

Customers can pay their bill monthly by Preauthorized Payment directly from their bank accounts. Applications are available from the Accounting Department or online at www.sasksport.ca/admin.php.

The Admin Centre bookkeeping services include a wide range of available options, including:

- Issuing cheques
- Preparing invoices
- Preparing journal entries
- Performing bank reconciliations
- Filing tax, charity, GST and/or PST returns
- Preparing for yearend audit
- Entering source document information provided by the client (accounts receivable/accounts payable)
- Financial statements (prepared according to the client's instructions)

Procedure

The accounting service is available to all provincial organizations who receive funding from the Admin Centre Trust Fund. To access any accounting services please contact Taralee Sentes at 306-780-9310 or tsentes@sasksport.ca.

The Admin Centre uses the accounting package Accpac. There is no charge for set up or conversion of existing data into the system. Charges only apply for processing of new transactions.

Payables: Payments are processed and cheques are printed as directed by the client. The approval processes that are in place for each organization are followed prior to payments being made. The client retains responsibility for requesting payments and coding them to the correct account. Payables are processed as and when directed by the client. Most clients issue cheques twice per month, with occasional rush cheques required between regular cheque runs. The client retains responsibility for signing cheques. (Some clients write their own cheques and sign them and send information at the end of the Month, to be keyed in Accpac.)

Receivables: Invoices are prepared to customers as directed by the client. For large volume invoicing for memberships or banquets, invoicing information can be imported from an excel file. Deposits are recorded in the accounting system, applied to receivables or coded to revenue accounts as directed by the client.

Bank reconciliations are done at month end (and reconciliation of all other balance sheet accounts) and financial statements are prepared in the format required by the client. Supplemental information is also provided based on the clients need (list of cheques written, general ledger transaction reports, etc). Reporting is done according to the client's time table.

GST and/or PST returns are filed monthly, quarterly or annually as required. Tax and Charity returns are filed annually once audit is complete.

Financial statements and all working papers required by external auditors are prepared at year end. Financial information for grant follow-up reporting can be prepared and submitted as requested.

The service is based out of the Regina and Saskatoon offices but can be provided to organizations across the province.

Cost

\$25/hour

Procedure

Order forms are available and should be completed and signed by the user. Errors or omissions on the order forms are the responsibility of the customer. Non-resident customers that leave work with the word processing staff for typing prior to printing must complete both typing and printing work orders at that time. Special instructions must be written on these orders. When the job is completed, it will be distributed as designated.

All orders requiring graphic work should be brought to the Printing Services Manager, where the details of the work to be performed will be discussed. A work order will then be filled out.

Progress reports are available from the Printing Services Manager.

Time required for processing orders is dependent on both the number of orders on hand as well as the actual time required for the job to be performed. Photocopying is generally same or next day service. For graphic and printing services call the printshop to book time for your job. Jobs can be classified as follows:

- Notices, form letters, memos, instructions, and similar “short order” items (no stapling required)
- Reports, minutes, bulletins (stapling required)
- Folders, brochures, posters, forms, tickets, annual reports
- Newsletters, manuals, books, envelopes, and coloured work
- Items requiring art work, paste-up, etc.

When an order is placed by the customer, it is imperative that an actual deadline is indicated on the order form. This helps us to plan our work to meet your needs.

The Centres carry an insurance policy covering normal office contents only. i.e. desks, chairs, tables, computers, fax machines, stationery. These items are also covered if they are in storage in one of our facilities. Residents must purchase separate coverage for non-office items. i.e. sporting equipment, rule books, promotional items, uniforms, scoreboards, whistles, museum collections etc. whether or not they are in the office or in storage.

Insurance covers loss by vandalism, fire and theft, but not for loss by mysterious disappearance (disappearance with no signs of theft or forced entry). Coverage is based on replacement cost.

Procedure

A list of office contents must be supplied to the Admin Centre, and updated as necessary.

Bulletins and posters may be posted only in designated spaces in common areas. Information posted in non-designated areas common areas or on windows or doors may be removed.

The tenant is responsible for the condition of their office. When a tenant vacates an office, the Admin Centre staff will perform an inspection of the premises.

If it is determined that the office walls or floors require repairs beyond normal wear and tear, the Admin Centre will have the necessary work completed and will instruct the accounting department to charge the tenant for the repairs.
